

Sponsorship Opportunities!!

West Point Founders Day and presentation of the General Alexander Haig Guardian of Liberty Award Saturday, March 10, 2018, at the Union League

All guests attending our annual Founders Day receive a commemorative Tribute/Program Book highlighting the event. The book tells the story of the West Point Society of Philadelphia and the story of our distinguished award recipient, and honors a lifetime of service epitomizing the values of West Point: Duty, Honor, Country.

An ad in this book provides you and your organization with an opportunity to support our Society and assist with our community engagements. It also provides valuable exposure to our members and associates, other contributors, businesses, and professional and civic leaders throughout the Greater Philadelphia Area. Don't miss this opportunity to connect with key community leaders!
